

You Finish Landscape Drawing - Rubric

1 pt.

3 pts.

5 pts.

		Set up
There are major errors in the boarder and tracing.	<p>The 1" boarder has errors in the measurments.</p> <p>The template was not traced in the center of the boarder. The tracing was sloppy or inaccurate.</p>	<p>The project has a 1" boarder that is accurately measured.</p> <p>There is evidence that the template was accurately traced in the center of the composition.</p>
		Technique
<p>There are major errors in the values.</p> <p>The blending is sloppy.</p>	<p>The value in the composition does not or struggles to create the illusion of space in the composition.</p> <p>The pencil work was not blended into smooth layers.</p>	<p>There is evidence that the artist was able to use value to create the illusion of space in the composition.</p> <p>The pencil work has all been blended into smooth layers.</p>
		Creativity
The landscape is missing the you finish elements, such as trees, rocks, grass, etc.	<p>The environment could be filled with more environmental elements.</p> <p>Some of the objects were traced.</p>	<p>There is evidence that the artist filled the entire landscape with trees, bushes, cloudds, rivers, pathers, houses, grass, rocks, etc.</p> <p>Nothing was traced!</p>
		Scale/Proportion
The scale of the objects is random.	The artist struggled to created the illusion of depth via value. The size of the elements in the composition are comfusing. Objects in the background are too larger.	The artist created the illusion of depth by controlling the size of the elements in the composition. Objects in the foreground were larger than than objects further away. Objects in that are closer have more details.
		Effort
The artist wasted a lot of time in class.	The artist could have applied more effort, asked for help or put a bit more effort into creating a more detailed solution.	The artist used all their time create the best solution they were able to.
