## Refocus Form

You have already received a verbal warning. Please, use this form to think about your behavior and future choices in this classroom. Use complete sentence and no text talk (Example: IDK)

Which classroom rules or expectations have you chosen not to follow?

How will you behave for the remainder of the class period?

What are three things that you need to change immediately in order to be productive and stay in class?

Is there something you would like to share with me that will help me understand why you have chosen to act this way?
